

Hey there,

Thanks for your interest in starting an ML Empowerment Chapter! This petition collects the basic information we need to review and approve your chapter. Please complete every field below.

Once finished, submit this form virtually to mlempowerfdn@gmail.com.

Section 1: Chapter Details

Chapter Name

Chapter Location

City, State/Province, Country

Number of Founding Members

A chapter needs at least 3 members to start (max 8 total leadership roles).

Where will your chapter conduct activities?

☐ Virtual

☐ Hybrid

☐ In-Person (preferred)

Section 2: Chapter Leadership Details

A chapter needs at least these three roles filled to be approved.

President

Which leader should we contact for chapter-related questions?

This person will also be e-mailed your chapter's acceptance or denial letter.

Agreement

By signing this petition, each named leader agrees to hold a leadership position of the above chapter, if approved, and will do their best to advance the chapter and comply with ML Empowerment Foundation's chapter guidelines, which may be updated at any time without notice. Each leader also agrees that the chapter will only carry out activities consistent with ML Empowerment's mission of AI education and empowerment.
